Quaker Testimony.

Mrs. A. M. Dauphin, Philadelphia, has done a great deal to make known to ladies there the great value of Mrs. Pinkham's Vegetable Compound, as a cure for their troubles and diseases. She writes as follows: "A young lady of this city while feeling some pain one day thought carelessly against the fifth line and the injuries received resulted in an ovarian tumor which grew and enlarged until death seemed certain. Her physician finally advised her to try Mrs. Pinkham's Compound. She did so and in a short time the tumor was dissolved and she is now in perfect health. I also know of many cases where the medicine has been of great value in preventing miscarriage and shortening the pains and dangers of confinement. Its worth in my estimation and in great value."

Sent by mail in pill and lozenge form on receipt of price, $1. Mrs. Pinkham, Lynn, Mass. Also in liquid form, at all druggists.

Every one will find it greatly to their advantage to visit STEVENS BROS.' corner State and Madison-sts.; Five Dollar Store; their value is unequalled beyond dispute. For comfort and convenience they are a luxury.
